

2005 ASSEMBLY BILL 781

October 20, 2005 - Introduced by Representative SCHNEIDER. Referred to
Committee on Government Operations and Spending Limitations.

1 **AN ACT to create** 16.979 (2) (g) of the statutes; **relating to:** publication of a state
2 telephone directory.

Analysis by the Legislative Reference Bureau

This bill directs the Department of Administration (DOA) to annually publish and distribute without charge to state officers and employees who are assigned to work stations equipped with telephones a directory containing a complete list of telephone and facsimile transmission numbers for each state agency and authority and functional subunit thereof, including the University of Wisconsin System administration but not including any institution within the system, together with the telephone and facsimile transmission number of each officer and employee of each listed subunit who is assigned to a work station in the Madison or Milwaukee area that is equipped with a telephone, and such other useful information as DOA considers appropriate.

Currently, there is no such requirement.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
